Cleaning Checklist for CAREHOMES

Cleaning Checklist for CAREHOMES

Daily Cleaning Tasks:

Vacuum and mop all floors in common areas, corridors and residents' rooms

Clean all surfaces in the common areas including dining room, lounge, activity room and reception area

Clean and disinfect all bathrooms and toilets in the care home

Clean and disinfect all handrails, door handles, light switches, and any other high touch surfaces

Clean and restock all toiletries and supplies in residents' rooms

Empty all rubbish bins and dispose of waste properly

Clean kitchen and dining areas, including wiping down surfaces, cleaning sinks, and cleaning all kitchen appliances

Dust all surfaces, including furniture, shelves, and decorative items

Weekly Cleaning Tasks:

Deep clean and sanitise all bathrooms, toilets, and showers

Dust all window sills, ledges, and blinds

Clean all windows, mirrors, and glass surfaces

Clean and sanitise all kitchen equipment including ovens, microwaves, and fridges

Thoroughly clean and disinfect residents' rooms, including changing bed linens, dusting, vacuuming and mopping floors, and wiping down all surfaces

Cleaning Checklist for CAREHOMES

Monthly Cleaning Tasks:

Deep clean and shampoo all carpets and upholstery

Deep clean and polish all hard floors

Clean and disinfect all medical equipment, including wheelchairs, and other mobility aids

Deep clean and disinfect all resident rooms, including curtains and blinds

It's important to note that this is just a general cleaning checklist, and additional tasks may be required depending on the specific needs of your care home.

It's always a good idea to consult with your cleaning staff and management team to create a comprehensive cleaning schedule that meets the unique needs of your care home.
